## Jason Brozen - Keynote Speaker

CESCP, Lead Corporate Safety and Technical Trainer, Tyndale Enterprises

Jason has made it his mission to share his experience as an arc flash survivor to help others stay safe on the job. A certified master electrician and an NFPA 70E instructor, his nationally recognized presentations include his compelling arc flash survival and recovery story.

## Workshop Topics:

- ✓ Shock Protection
- ✓ NECA 200 Temporary Power Installations
- ✓ NFPA 70B Maintenance Related Requirements
- ✓ Arc Flash Protection
- ✓ NECA Electrical Safety Training Trailer Demonstration
- ✓ LOTO

## Featured Demonstration:

NECA Electrical Safety Training Trailer on site! Get an intimate look at NECA's brand new, state-of-the-art safety training trailer, which is a fully equipped mobile training facility! Get a sneak peek here: [NECA Electrical Safety Training Trailer](#)

## About the VOSH Alliance Program:

The Virginia Occupational Safety and Health (VOSH) Alliance program lets the Virginia Department of Labor and Industry partner with groups dedicated to worker safety. NECA and IBEW Local #26 are inaugural partners collaborating to promote workplace safety, focusing on electrical hazards.

## About VILO:

The VOSH Institute for Learning & Outreach was established in 2024 by Virginia Department of Labor and Industry as Virginia's Center for Excellence in the Development of Injury and Illness Free Career Culture. This workshop was developed with the support of VILO.
